To Benefit Love INC

Love INC stands for Love In the Name of Christ. They are dedicated to meeting basic needs like food, shelter, clothing, transportation, and money management. To accomplish this, they assist on an individual level and on community levels. While assisting the immediate needs of folks in crisis, they also seek to transform community practices that tend to grip citizens in the hand of poverty--practices that affect community development, child care, health care, and more.

An important core for us is the churches who partner together, supporting our effort through donations of money, products, or services. When a need is presented to Love INC and confirmed, a member church that specializes in the need at hand is contacted to fill the need.
