A Note From Our Director

Dear Brothers and Sisters in Christ,

I have been studying the book of Joshua this summer. The words "Be strong and courageous" repeat three times within the first nine verses. I love that; it is a reminder I often need! Joshua is getting ready to head into uncharted territory. He knows this land was promised to the children of Israel, and he knows the power of God, but he still felt scared. Maybe he was scared he wouldn't live up to Moses' legacy, or fearful of the unknown, or possibly nervous of the armies they may face. He was so nervous in fact, that he sent spies in the night to check out Jericho. Isaiah 41:10 reminds us, "Do not fear for I am with you, do not be dismayed, for I am your God." The definition of dismayed is the complete breakdown of courage. Rahab tells the spies she hid them because her people had heard that their Lord dried up the Red Sea and how they destroyed Sihon and Og. She tells them that when they heard this news everyone's courage failed because Joshua's God is the God of heaven and earth. Jericho was dismayed because they were not trusting in the Lord. They were relying on their own strength and power to get them through.

Does that sound familiar? I am guilty as charged. The song *Fear is a Liar* by Zach Williams popped into my head as I was thinking about this devotion. These lyrics share a very important message:

When he told you you're not good enough
When he told you you're not right
When he told you're not strong enough
To put up a good fight
Fear is a liar
He will rob your rest
Steal your happiness
Cast your fear in the fire
'Cause fear he is a liar

Satan is a liar; he wants us to be dismayed, and he wants us to doubt. "Be strong and courageous, do not be terrified; do not be discouraged, for the Lord your God will be with you wherever you go. Joshua 1:9." I feel like I am standing in uncharted territory now, and I have no idea what other giants or battles I may face in this global pandemic, but I will not fear, and I will not be dismayed because the God of the heavens and the earth is with me through it all. He is with us all! Amen.

Blessings and peace to you all,

Kim Bruns
