A Note From Our Director

Dear Brothers and Sisters in Christ,

Have you ever heard the saying, "God will not give you more than you can handle?" Did you know it doesn't exactly say that in the Bible? When talking about temptation, we are told God will not let us be tempted beyond our ability and He will provide a way out (1 Corinthians 10:13), but the Bible never states we will not be given more than we can handle.

Do you feel like you have been given more than you can handle right now? Are you suffering financially? Is your health failing? Are you in a troubled relationship? Are you waiting for something to come that just hasn't been provided? Is someone you love sick or hurting? Are you overwhelmed by the state of the world? It can be one or many of these things all at once that make life challenging. One of my favorite verses in Psalms encourages me to, "Be still and know that I am God." (Psalms 46:10)

There are multiple times we are called to be still or to wait for the Lord in scripture. This is an invitation; an invitation to surrender to His power and His will for our lives. We will experience hardship, but we do not do it alone. We will experience earthly pain, but this life is not the end of our story. God knew this life was more than we could handle; that's why He sent Jesus! The entire concept of "more than you can handle" is not what God wants for our lives. He wants us to call upon His strength and His power during times of trouble.

In the book of Exodus, Moses tells the people, "The Lord will fight for you; you need only to **be still**" (Exodus 14:14). This verse was not a literal statement to stand and do nothing, but an invitation to experience God's power. This statement was made just before the parting of the Red Sea. What is your Red Sea right now? What are you experiencing right now that is more than you can handle? What do you need to surrender to God's power?

I pray you find the courage to fully surrender to God's power and grace. A friend of mine begins prayer with the words of Ephesians 3:20, "God, you can do anything, exceedingly abundantly more than we could ever ask or imagine, according to the power that works in us." He can do anything, and His power is at work in us.

This world is more than we can handle, but we are not alone, and God has already provided a way out through Jesus' life, death, and resurrection. Praise the Lord!

Blessings and peace to you all,

Kim Bruns
